

Appendix VI Application Form

Mayor's Air Quality Fund Round 2

Applications for seed funding (up to £25,000) to develop a Low Emission Neighbourhood Proposal

Please ensure this application form is submitted by 5pm 30th July 2015 (please note this is six weeks earlier than the deadline for the main application form for standard projects)

Section 1	
Complete all sections below	
Borough(s) name(s):	Please complete
Project manager responsible for delivering the proposal:	Please complete
Person completing the bid submission and contact details:	Please complete
Seed funding requested (£25,000 Maximum):	Please complete
Please confirm that you have provided all statutory LAQM reports to Defra.	Y/N
Please confirm that, if your borough had MAQF Round 1 projects, a project report was submitted for 2014/15	Y/N
Please confirm that your borough continues to work towards the 6 Cleaner Air Borough Criteria, and will be able (in early 2016) to provide evidence of action against all criteria during 2015.	Y/N
Please note that the above will need to	

be met each year in order to receive the following year's MAQF allocation.	
Does this application have the approval of relevant senior officers (such as the Head of Transport and Highways), and the Cabinet Member?	Y/N – If no, please state current position.

<p>Section 2 Please provide details of proposed location/s of the possible LEN, and draft proposed interventions. This does not need to be a finalised proposal, as that is what the seed funding is for, however, you need to provide enough information to demonstrate that this is a viable project that will have tangible impacts.</p>
<p>Project name and location: PLEASE COMPLETE. Please also attach a map of the proposed zone.</p>
<p>Please provide a brief description of the proposed LEN location, including a description of the current issues/problems to be addressed via the LEN, current modelled or measured NO2 levels, and possible interventions that could address these.</p> <p>PLEASE COMPLETE</p> <p style="text-align: right;">(maximum 200 words)</p>
<p>Please provide a brief outline of the project that will be undertaken to develop your full application, and how you will use the seed funding to deliver all of the elements required for the full application (outlined below). Please provide a high level breakdown of what the seed funding will be spent on.</p> <p><u>Requirements for the full application form:</u></p> <ul style="list-style-type: none"> • A full project outline with associated spend profiles

- A comprehensive risk assessment
- Evidence of local support for the proposals (some of the seed funding should be used for consultation with the local community and businesses)
- Evidence that match funding will be provided
- Visionary sketches of the LEN
- An outline of the measures that will be delivered in the LEN
- An estimation of the air pollution impacts of the LEN (in terms of concentrations and exposure reductions). You will need to briefly outline how you will undertake/commission these estimations.

PLEASE COMPLETE

(maximum 300 words)

Please confirm that any major foreseeable risks have been considered and negated (such as other planned projects in the area, Planning restrictions, major objections from stakeholders, etc.)

PLEASE COMPLETE

(maximum 50 words)

Please provide brief details of possible partners and major stakeholders.

PLEASE COMPLETE

(maximum 70 words)

Please send your completed application form by email to **all three** of the below email addresses:

poppy.lyle@london.gov.uk, stellalam@tfl.gov.uk, danielleshap@tfl.gov.uk
