Dear Mick

Old Oak North Housing Infrastructure Bid

I am very happy to write in support of the Old Oak and Park Royal Development Commission's (OPDC) Housing Infrastructure Funding (HIF) bid for Old Oak North.

The HIF bid arises out of a huge amount of work that OPDC has done in recent years, working closely with TfL and other stakeholders, to develop your Local Plan and the masterplan for Old Oak North. The HIF funding will support the delivery of critical transport infrastructure and other measures that will help unlock large scale development opportunities in Old Oak North. It will also help to ensure delivery in Old Oak North meets London Plan expectations around 'good growth'.

TfL looks forward to continuing to work closely with you and your team to push forward delivery at Old Oak.

Yours sincerely
