Dear Mick,

**Support for OPDC' Housing Infrastructure Fund bid**

I am writing to offer Park Royal Business Group's support for the Old Oak and Park Royal Development Corporation's (OPDC's) Housing Infrastructure Fund (HIF) bid to assist delivery of the Old Oak North Programme.

Park Royal Business Group recognises the significant benefits that public sector investment in the Old Oak North Programme would bring to support the delivery of this important phase of the wider Old Oak regeneration project. The HIF funding will play an important role in the timely delivery of homes within the Old Oak North Programme to capitalise on, and complement, the Government's new Old Oak Common station. The overall project is a vitally important regeneration project for London, and indeed the whole of the UK. It is an opportunity to transform 134ha of brownfield land and create an exemplar community on the doorstep of Central London.

Yours Sincerely,
