

TOTAL POLICING

MOPAC

MAYOR OF LONDON

The trial involved

Results of trial

No difference on the number of stop and searches

No difference on how the police interact with the public

No difference on the likelihood of an arrest for violent crime

Allegations of oppressive behaviour are **2.6** times more likely without BWV

Officer survey

Availability of digital evidence increased to 1 in every 3 violent crimes

I collect better evidence

Officers with **BWV** feel

Officers without **BWV** feel

Innovative uses

The majority of London residents agree that BWV...

will help police collect better evidence

will make officers more accountable for their actions

will ensure officers follow correct procedures

against officers

stop people making

false allegations

will make officers treat people fairly
