Data Requested

1. Confirmation that the Property immediately abuts onto a publicly maintainable highway and there is no intervening land between the Property and the public highway (if there is, is it within the Property's ownership and what is its status?).
2. Are there any road improvements or widening schemes in the area or any road closure orders affecting roads around the property.
3. Can you confirm that there are no public footpaths on or over the property or nearby the Property and confirm the extent of such?
4. Is there any information available regarding any future improvements or of developments (including bus stops) which may affect traffic flow around the land in question?
5. A copy of your plan showing the extent of the highways and adopted roads in relation to the property and the plan submitted to you.

Ref 16586760 : 202496/306306

Dear Sirs/Madam,

**RE: Cable Street Part of the DLR on the North side of Royal Mint Street, London,
United Kingdom, E1 9LG**

I refer to the letter from Searches Online received concerning the above location.

- 1) I can confirm that area of interest immediately abuts the public highway, maintained at public expense by LBTH at Cable Street. LBTH is unaware of any intervening land.
- 2) I can confirm that there are no road improvements, widening, or closure orders affecting the area of interest at present.
- 3) I can confirm that based on the map enclosed; there are no public footpaths which are outlined red, on or over the area of interest at present.
- 4) I have no further information available regarding any future developments which may affect traffic flow around the area of interest.
- 5) Please find enclosed an extract of the highways register showing highway maintained at public expense by LBTH outlined red. TfL Highway is outlined green.
