

North Acton and Acton Wells

Vision summary

North Acton and Acton Wells will:

- be a **high density area with tall buildings**, benefiting from a series of new and improved streets centred along Old Oak High Street, Victoria Road, Portal Way and Wales Farm Road
- **knit the area together** and **improve connections** to deliver a high quality and coordinated public realm and new **public open spaces**
- support the delivery of **Old Oak High Street**, connecting North Acton Station to Old Oak Common Lane Station with a **major town centre** running along its length
- deliver a new **North Acton neighbourhood town centre** south of North Acton Station
- deliver a **range of employment uses, housing, hotel and student accommodation**
- **mitigate** the busy road and rail **infrastructure** and the impacts of **High Speed 2** construction and operation
