Vision summary

Old Oak South will:

- be centred on an exceptionally designed, world-class **Old Oak Common Station** and interchange that provides excellent local, regional and national connections
- **integrate Old Oak Common Station** with the surrounding streets and land uses
- provide a mix of **high density** residential, employment, cultural and community uses within a **network of neighbourhoods**
- deliver a **new street network**, focused on **Old Oak High Street** that connects to surrounding areas, including **Wormwood Scrubs**
- be a **new commercial hub** that is home to tall buildings which supports London's growth and role as a global city
- be part of a **new major town centre** along Old Oak High Street
- provide a range of **new open spaces** including Local Parks, station squares and canalside spaces
- **celebrate** the area's unique railway **heritage**, the Grand Union Canal and the locally cherished Wormwood Scrubs
