

# Willesden Junction

## Vision summary

Willesden Junction will:

- be a **busy destination** within Old Oak on the new Old Oak High Street
- be a focal point that **connects Harlesden with Old Oak**
- deliver **station upgrades** to create an improved interchange
- deliver a **high density** mixed use neighbourhood
- deliver **new and enhanced public realm, streets and open spaces** through and around the station
- celebrate the area's **railway heritage**
