

Wormwood Scrubs

Vision summary

Wormwood Scrubs will:

- continue to be a **cherished public open space**, important **ecological asset** and a **protected area of Metropolitan Open Land**
- **bring Old Oak and White City** together making the Scrubs more **accessible to all Londoners** through **new sensitive connections** to the north and east as well as **carefully considered improvements**
- benefit from OPDC **working with stakeholders** and **agree any proposals** with the **Wormwood Scrubs Charitable Trust**, the **London Borough of Hammersmith and Fulham** and in discussion with the **local community** to conserve and enhance Wormwood Scrubs
