Good to Great takes place over 4 mornings in Newham early years settings which are rated Outstanding by Ofsted. It's a unique chance for you to visit these great settings and to learn as part of a supportive and challenging group. Each session runs from 8.30am to 11.30am.

*Please note: you must commit to attending all four dates and engaging in discussion and visits to each others' settings between sessions. This helps us to support each other's learning in the group.*
