1. Introduction and scene setting ([link to MOPAC paper](#))

The DMPC introduces the Challenge, outlining the context and the need for change.

2. Solving more crimes ([link to MPS paper](#))

The Commissioner addresses how the Met can catch more criminals and solve more crimes.

3. Securing more guilty convictions ([link to CPS paper](#))

CPS London addresses how they can make sure that more perpetrators face justice when they are charged with an offence.

4. Delivering a 21st century court infrastructure ([link to HMCTS paper](#))

Her Majesty's Courts and Tribunals Service addresses how it can support the delivery of swift and sure justice for offenders and improved treatment for victims and witnesses.
