Dear Sirs,

WAYLEAVE SEARCH at 125-129 WAPPING HIGH STREET LONDON E1W 3NG

Thank you for your request. We have now completed a search of our Wayleave Archives and:-

- We enclose copies of any wayleave agreements found

- We have been unable to find any wayleave agreements for this location

Any rights of entry or otherwise are detailed in the relevant wayleave agreement and/or by the Electronic Communications Code, which is Schedule 3A of the Communications Act 2003, as amended by the Digital Economy Act 2017. No liability falls on the owner/occupier for the maintenance of BT structures and no fee is payable to BT.

SITE DEVELOPMENT

If your client is proposing to develop their site, any proposed method for serving your clients property would need to be discussed in detail with the BT planner following an order for telecommunications service.

BT APPARATUS LOCATION PLAN

If you require production of a plan showing the location of BT apparatus please email nnhc@openreach.co.uk, there is a charge for this service. The fee allows for the production of up to 20 maps. Alternatively you may be interested in our online mapping service "Maps by Email", for further information please contact us on maps.by.email@openreach.co.uk

Yours faithfully

Sean Round
