HOMEWORK QUESTIONS

Writing down the answers to these questions will help you make sure that you don't lose sight of your core aims and ambitions. These are also the questions that other people – your community, funders or partners – will be asking about your project, so having your answers prepared will really help.

About your project

1
What is the aim of your project
in 10 words?

2
What is the challenge you want to
take on?

3
What does success look like?

4
What's the plan?

Researching your context

1
Have you looked at different options?
How do you know this is
the right solution?

2
What have you learnt from how others
have tackled this kind of problem?

3
What makes your idea specific to your
area? Can local community help you
refine it?

4
How does this benefit your community?
Have you asked them?

Planning and contingencies

1
Are your budget and timescale realistic?
Why?

2
Have you got the right people on
your team?

3
What could go wrong?
What would you do about it?

4
What is the impact your project
may have?
