

**London Assembly – Membership of Committees / Bodies
and Terms of Reference 2019/20**

The attached grid sets out the structure of and terms of reference for London Assembly committees and other bodies for the 2019/20 Assembly Year put forward following informal discussions between the Assembly’s party Groups, and nominations from Groups to those bodies, including nominations for Chair and Deputy Chair of each committee, and as agreed at the Annual Meeting in May 2019.

The proposals set out give rise to the following proportionality calculations, across the committee structure as a whole. The proposed allocation of seats has been drawn up on the basis that the Assembly will, in accordance with the provisions of Section 17 of the Local Government and Housing Act, unanimously agree to disapply the proportionality rules where committee membership is not politically proportional in respect of the overall membership of the Assembly.
