Please can I have the details of the number of grants made in connection with this section of the Anti-Social Behaviour Crime and Policing Act 2014 since the financial year of 2011/12. Can this include the organisation which received the money, what their main cause it, where they are based / areas they serve, how much money they received and how many years is that funding for?

This is the section of the act I'm referring to: Section 143 (1) (b) of the Anti-Social Behaviour Crime and Policing Act 2014 provides an express power for MOPAC, as a local policing body, to provide or commission services "intended by the local policing body to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour." Section 143(3) specifically allows MOPAC to make grants in connection with such arrangements and any grant may be made subject to any conditions that MOPAC thinks appropriate.
