### **Mayoral Strategies.**

This identifies all the Mayoral Strategies which are relevant to identify the Mayor's overall approach to matters falling within this consideration.

1. The Mayor has produced a series of Strategies for the purposes of identifying the appropriate way to guide the development of London.
2. As will be seen, the strategies have regard to equalities issues. The policies in final form are accepted as compliant with the Public Sector Equality Duty.
3. The Mayor has produced statutory Strategies (as mandated under the Greater London Authority Act 1999) in respect of the following:
  - The London Plan Housing
  - Transport
  - Environment
  - Health Inequalities
  - Economic Development
  - Culture
4. In addition, he has decided to prepare further, non-statutory Strategies to cover:
  - Equality, Diversity and Inclusion
  - Social Integration
  - Food
  - Sport
  - Skills
5. These various Strategies are available on the GLA website. They can however be summarised in the following way:

Strategy	Description
<b>STATUTORY</b>	
<b>London Housing Strategy 2018</b>	<p>The Mayor's London Housing Strategy sets out his plans to tackle the capital's housing crisis and to provide all Londoners with a decent and affordable home. The aim of this Strategy is to address the housing shortage through intensification, focusing on more genuinely affordable housing and providing help now for people feeling the effects of the housing crisis - from private renters to rough sleepers.</p> <p>This Strategy has five key areas:</p> <ul style="list-style-type: none"> <li>• Building more homes for Londoners</li> <li>• Delivering genuinely affordable homes</li> <li>• High quality homes and inclusive neighbourhoods</li> <li>• A fairer deal for private renters and leaseholders</li> <li>• Tackling homelessness and helping rough sleepers.</li> </ul> <p><a href="https://www.london.gov.uk/what-we-do/housing-and-land/tackling-londons-housing-crisis">https://www.london.gov.uk/what-we-do/housing-and-land/tackling-londons-housing-crisis</a></p>

<p><b>The Mayor's Transport Strategy 2018</b></p>	<p>This Strategy have three key areas:</p> <ul style="list-style-type: none"> <li>• Healthy Streets and healthy people - Creating streets and street networks that encourage walking, cycling and public transport use will reduce car dependency and the health problems it creates.</li> <li>• A good public transport experience - Public transport is the most efficient way for people to travel over distances that are too long to walk or cycle, and a shift from private car to public transport could dramatically reduce the number of vehicles on London's streets.</li> <li>• New homes and jobs - More people than ever want to live and work in London. Planning the city around walking, cycling and public transport use will unlock growth in new areas and ensure that London grows in a way that benefits everyone.</li> </ul> <p><a href="https://www.london.gov.uk/what-we-do/transport/our-vision-transport/mayors-transport-strategy-2018">https://www.london.gov.uk/what-we-do/transport/our-vision-transport/mayors-transport-strategy-2018</a></p>
<p><b>London Environment Strategy 2018</b></p>	<p>This strategy aims to tackle the most urgent environmental challenges facing the capital, as well as safeguarding London's environment over the longer term by ensuring that London is greener, cleaner and ready for the future. It is the first strategy to bring together approaches to every aspect of London's environment. It is divided into the following areas:</p> <ul style="list-style-type: none"> <li>• Air quality</li> <li>• Green infrastructure</li> <li>• Climate change mitigation and energy</li> <li>• Waste</li> <li>• Adapting to climate change</li> <li>• Ambient noise</li> </ul> <p><a href="https://www.london.gov.uk/what-we-do/environment/london-environment-strategy">https://www.london.gov.uk/what-we-do/environment/london-environment-strategy</a></p>

**London  
Health  
Inequalities  
Strategy  
2018**

This strategy tackles the determinants of health which lead to these differences - or health inequalities - by focusing on five key areas:

- **Healthy Children:** Helping every London child to have a healthy start in life by supporting parents and carers, early years settings and schools.
- **Healthy Minds:** Supporting Londoners to feel comfortable talking about mental health, reducing stigma and encouraging people across the city to work together to reduce suicide.
- **Healthy Places:** Working towards London having healthier streets and the best air quality of any major global city, ensuring all Londoners can access a good-quality green space, tackling income inequality and poverty, creating healthy workplaces, improving housing availability, quality and affordability, and addressing homelessness and rough sleeping.
- **Healthy Communities:** Making sure all Londoners have the opportunity to participate in community life, empowering people to improve their own and their community's health and wellbeing.
- **Health Living:** Helping Londoners to be physically active, making sure they have access to healthy food, and reducing the use of or harms caused by tobacco, illicit drugs, alcohol and gambling.

<p><b>Economic Development Strategy 2018</b></p>	<p>The strategy sets out plans to create a fairer, more inclusive economy that works for all Londoners and businesses.</p> <p>The strategy has three main goals:</p> <ul style="list-style-type: none"> <li>• opening up opportunities – everyone should be able to benefit from all the city offers</li> <li>• growth – ensuring the economy will continue to thrive and is open to business</li> <li>• innovation – to make London a world leader in innovation, technology and a hub of new ideas and creativity</li> </ul>
<p><b>Culture for All Londoners 2018</b></p>	<p>This strategy has four priorities:</p> <ul style="list-style-type: none"> <li>• Love London - more people experiencing and creating culture on their doorstep</li> <li>• Culture and Good Growth - supporting, saving and sustaining cultural places</li> <li>• Creative Londoners - investing in a diverse creative workforce for the future</li> <li>• World City - a global creative powerhouse today and in the future</li> </ul> <p><a href="https://www.london.gov.uk/get-involved/culture-strategy-london">https://www.london.gov.uk/get-involved/culture-strategy-london</a></p>
<p><b>NON-STATUTORY</b></p>	

<p><b>The Mayor's Equality, Diversity and Inclusion Strategy 2018</b></p>	<p>The Strategy sets out how the Mayor will work to create a fairer, more equal, integrated city where all people feel welcome and able to fulfil their potential.</p> <p>The Strategy has six parts:</p> <ul style="list-style-type: none"> <li>• a great place to live</li> <li>• a great place for young people</li> <li>• a great place to work and do business</li> <li>• getting around</li> <li>• a safe, healthy and enjoyable city</li> <li>• leading by example</li> </ul> <p><a href="https://www.london.gov.uk/what-we-do/communities/mayors-strategy-equality-diversity-inclusion">https://www.london.gov.uk/what-we-do/communities/mayors-strategy-equality-diversity-inclusion</a></p>
<p><b>The Mayor's Strategy for Social Integration 208</b></p>	<p>The Mayor's Strategy for Social Integration focusses on creating a more socially integrated city in which Londoners can positively interact and connect with people who are different to themselves.</p> <p>The Mayor's work on social integration has four central themes:</p> <ul style="list-style-type: none"> <li>• Relationships – promoting shared experiences</li> <li>• Participation – supporting Londoners to be active citizens</li> <li>• Equality – tackling barriers and inequalities</li> <li>• Evidence – improving London's evidence base to measure, evaluate and share findings on the state of social integration</li> </ul> <p><a href="https://www.london.gov.uk/what-we-do/communities/all-us-mayors-strategy-social-integration">https://www.london.gov.uk/what-we-do/communities/all-us-mayors-strategy-social-integration</a></p>

**The Mayor's  
Food  
Strategy  
2018**

The London Food Strategy will set out how the Mayor will work with partners to ensure that London's food system provides healthy, sustainable, affordable food.

Key elements of the strategy include:

- Good Food at Home and Reducing Food Insecurity - Helping to ensure all Londoners can eat well at home and tackling rising levels of food insecurity.
- Good Food Economy, Shopping and Eating Out - Supporting good food businesses to improve London's food environment and make healthy, affordable options more widely available to Londoners.
- Good Food in Community Settings and Public Institutions - Working with public sector partners to improve their food procurement for the communities they serve.
- Good Food for Pregnancy and Childhood - Using good food to help give Londoners the best possible start to life.
- Good Food Growing, Community Gardening and Urban Farming - Promoting the multiple benefits of food growing for individuals and communities.
- Good Food for the Environment - Reducing the environmental impact of our food system by making it more efficient, more sustainable and less wasteful.
