

# MAYOR OF LONDON

## Pedestrian restrictions affecting business and residents in the London New Year's Eve event area

### Advice for businesses and residents in ticketed areas

To facilitate access to your premises, we strongly advise you to apply for a **ticketed area wristband**.

### Advice for businesses and residents in the outer event area

To access this area, we strongly advise you to carry a valid proof of address. If you are expecting guests, or do not wish to carry proof of address on the night, you can apply for an outer event area wristband. Please note these won't give you access to the ticketed areas.

**Please note these maps show pedestrian restrictions ONLY. Full road closure and vehicle restriction information will be available later in the year.**

To get more information about wristbands and access to your property visit [london.gov.uk/nye/business-and-residents](https://london.gov.uk/nye/business-and-residents)
