

New Year's Eve message transcript

Hi folks, I'm Boris Johnson, I'm the Mayor of London.

I hope you agree 2015 has been another fantastic year for London. But I want to tell you about our New Year's Eve fireworks display which of course is going to be bigger and better than ever.

But this time, we are doing it with Unicef, the great world's children charity. And we are raising money to help those children who have been affected by the Syrian crisis.

So what you can do as you watch that wonderful fireworks display is make and keep a new year's resolution all in one go by giving £3 to help kids affected by the Syrian crisis.

That's what you've got to do, I hope you enjoy it. Watch that fireworks display either on the site, if and only if you have a ticket. Or else, in the comfort of your living room or in pubs, in clubs, restaurants, anywhere where the world's greatest firework display is shown.

Have a fantastic New Year's Eve folks and Happy New Year.
