

# A CITY FOR ALL LONDONERS

21 November 9:00 – 12:45

Prospero House, 241 Borough High Street, London SE1 1GA

## Housing Workshop Programme

**08:30 – 09:00 Registration and breakfast**

**09:00 – 09:15 Opening comments**

James Murray - Deputy Mayor, Housing and Residential Development

**09:15 – 09:35 Presentation**

Jennifer Peters - Strategic Planning Manager, GLA

Alan Benson - Senior Manager – Housing strategy, GLA

**09:35 – 10:35 Workshop Session 1**

Each table will be discussing one of 10 topics for each session.

Participants can choose which table they want to sit at, however, there are 10 spaces per table and it may not be possible for everyone to sit at their preferred choice.

| Workshop Session 1 |  |
|--------------------|--|
| Table              | Topic  |
| 1                  | Affordable housing delivery and viability    |
| 2                  | Affordable housing tenures                   |
| 3                  | Increasing and accelerating housing delivery |
| 4                  | Build to rent                                |
| 5                  | Residential design quality standards         |
| 6                  | Residential density                          |
| 7                  | Meeting the range of housing needs           |
| 8                  | Mixed and balanced communities               |
| 9                  | Suburban Intensification                     |
| 10                 | Estate regeneration                          |

**10:35 – 10:55 Tea & coffee break**

**10:55 – 11:55 Workshop Session 2**

Participants choose a different topic to discuss for session 2

| Workshop Session 2 |  |
|--------------------|--|
| Table              | Topic  |
| 1                  | Affordable housing delivery and viability    |
| 2                  | Affordable housing tenures                   |
| 3                  | Increasing and accelerating housing delivery |
| 4                  | Build to rent                                |
| 5                  | Residential design quality standards         |
| 6                  | Residential density                          |
| 7                  | Meeting the range of housing needs           |
| 8                  | Mixed and balanced communities               |
| 9                  | Suburban Intensification                     |
| 10                 | Estate regeneration                          |
