5	**Housing supply, quality, choice and affordability**	To provide a quantum, type, quality and tenure of housing (including specialist and affordable provision) to better meet demographic change and household demand	Help to facilitate the delivery of house building that meets the needs to Londoners Increase the range and affordability of housing Promote accessible and adaptable homes, improving choice for people who require them Provide housing that encourages a sense of community and enhances the amenity value of the community	EqIA	+/?	+/?	+/?	I, D	T, P	L, GL	Low income: Y Disability: Y Age: Y Sex: N Race: Y Religion: N Sexual orientation: N Gender reassignment: N Marriage & civil partnership: N Pregnancy & maternity: N	This policy supports a partnership-led approach to developing resilient and adaptable town centres. This includes supporting boroughs to consider a range of mechanisms to deliver housing intensification and mixed-use development. Depending on how local authorities implement these measures, they could facilitate the delivery of housing and help accommodate London's housing needs.	
6	**Sustainable land use**	Make the best and most efficient use of land so as to support sustainable patterns and forms of development	Ensure that high densities development does not adversely impact on different groups of people Promote regeneration and provide benefits for existing communities	EqIA	+	+	+	I, D	T, P	L, GL	Low income: Y Disability: Y Age: Y Sex: N Race: Y Religion: Y Sexual orientation: N Gender reassignment: N Marriage & civil partnership: N Pregnancy & maternity: Y	This policy supports a partnership-led approach to developing resilient and adaptable town centres. This includes using Town Centre Strategies to support opportunities for growth and regeneration, and protect key community services. Where redevelopment requires compulsory purchase processes to be carried out, low income households or gypsy and traveller communities might be temporarily negatively impacted. The policy also supports the delivery of strategies in partnership with a range of infrastructure providers. High quality and appropriate infrastructure provision can help to mitigate adverse impacts associated with high density development.	
7	**Design**	To create attractive, mixed use neighbourhoods, ensuring new buildings and spaces are appropriately designed that promote and enhance existing a sense of place and distinctiveness reducing the need to travel by motorised transport	Help to make people feel positive about the area they live in and promote social integration Improve legibility and ease of use of the build environment for people with sensory or cognitive impairments	EqIA	?	?	?	I, D	P	L	Low income: Y Disability: Y Age: Y Sex: N Race: N Religion: N Sexual orientation: N Gender reassignment: N Marriage & civil partnership: N Pregnancy & maternity: N	This policy broadly supports local authorities exploring regeneration, growth and intensification opportunities. There is particular emphasis on community consultation, a tailored approach to development and preserving local services of amenity value through the promotion of strong and resilient town centres. Depending on how these measures are implemented and managed, they could promote positive feelings about the local area, encouraging those less able to travel further away for outdoor amenity to spend time in their local area.	
8	**Accessibility**	To maximise accessibility for all in and around London	Improve accessibility to all public transport modes Increase equality of access to services and facilities Improve links between neighbourhoods and communities	EqIA	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a

#	Objective		Questions	EqIA									
9	**Connectivity**	To enhance and improve connectivity for all to, from, within and around London and increase the proportion of journeys made by sustainable and active transport modes	Reduce severance and consequent inequalities for those groups who are more greatly affected by severance (e.g. people on low incomes, disabled people, children and young people, older people and people dependent on walking and using public transport for travel)? Reduce the overall need for people to travel by improving their access to the services, jobs, leisure and amenities in the place in which they live?	EqIA	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a
10	**Economic competitiveness and employment**	To maintain and strengthen London's position as a leading, connected, knowledge based global city and to support a strong, diverse and resilient economic economy structure providing opportunities for all	Help to provide employment opportunities in the most deprived areas, particularly to disadvantaged groups, and stimulate regeneration? Minimise barriers to employment (e.g. transport, financial, childcare)? Enable people with physical and mental health conditions and disabilities to stay in employment? 13	**Culture**	To safeguard and enhance the Capital's rich cultural offer, infrastructure, heritage, natural environment and talent to benefit all Londoners while delivering new activities that strengthen London's global position	Improve accessibility for all to cultural venues Improve participation by all in cultural activities and support cultural activities that promote social integration Provide access to affordable cultural activities in areas of deprivation.	EqIA	?	?	?	I, D	T, P	L	Low income: Y Disability: Y Age: N Sex: N Race: Y Religion: Y Sexual orientation: Y Gender reassignment: Y Marriage & civil partnership: Y Pregnancy & maternity: N	This policy broadly supports the use of Town Centre Strategies and addresses a wide range of issues, which includes the role of culture, heritage and tourism. This could differentially benefit those who use cultural facilities the most, including religious groups, those wanting to get married or have a civil partnership ceremony, those belonging to the LGBT+ community, and low income households or those with disabilities who may not easily be able to reach cultural activities elsewhere in the city. It is not however clear how the policy will support or develop cultural infrastructure.	
14	**Air Quality**	To reduce emissions and concentrations of harmful atmospheric pollutants, particularly in areas of poorest air quality and reduce exposure	Reduce inequalities in access to clean air across London, particularly for those: who live in deprived areas? who live, learn or work near busy roads or construction sites? who are more vulnerable because of their age or existing medical condition?	EqIA	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a
15	**Climate change adaptation and mitigation**	To ensure London adapts and becomes more resilient to the impacts of climate change and extreme weather events such as flood, drought and heat risks	Reduce impacts on groups more vulnerable to the effects of climate change (e.g. older people are more vulnerable to excess heat?)	EqIA	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a
16	**Climate change adaptation and mitigation**	To help tackle climate change through reducing greenhouse gas emissions and moving towards a zero carbon London by 2050		EqIA									

17	**Energy use and supply**	To manage and reduce demand for energy, achieve greater energy efficiency, utilise new and existing energy sources effectively, and ensure a resilient smart and affordable energy system	Contribute to the provision of smart and affordable energy system for all?
