# Introduction and Background

## Small Sites, Small Builders

The Greater London Authority's Small Sites, Small Builders programme aims to bring forward small publicly-owned plots of land for residential development by small-sized housebuilders, housing associations, community-led housing groups and other small-scale developing organisations.

As part of this programme, the London Borough of Hounslow is releasing a number of small sites to the market, specifically for sale to Registered Providers.

## Description and Location

The site is located off South Street in Isleworth, to the rear of Swann Court.

It is approximately 0.8 miles to the southeast of Isleworth Railway Station, which is served by regular South Western Railway trains to London Waterloo. The local bus network is accessible from nearby South Street.

The surrounding area is mixed use including commercial, community and residential buildings. There are a number of schools and sports grounds within 0.5 miles' radius of the subject site.

In total, the site is approximately 0.22 acres (0.1 ha) in size and comprises three rows of garages and hardstanding. The site is bound by Saint Mary's Catholic Primary School and Isleworth Blue School to the north and Isleworth Public Hall to the east. A small section of the southern site boundary runs alongside South Street. The flatted block of Swann Court and associated garden sit to the south and east of the site.

## Site Details

### Planning

The site is not subject to use class allocations, however, it forms part of Isleworth Riverside Conservation Area.

The characteristics of the surrounding locality will need to be given due consideration in any design proposal for the site.

### Important to note

- There is a right of way along one side of the site.
- The site is located in Isleworth Riverside Conservation Area.
- Some of the neighbouring properties are residential and would need to be assessed for sunlight and daylight.
